Hold Up YES FOR Kids Signs!

Join Lake Harriet parents and students Wednesday, November 2, before school from 8:00-9:15 am, to raise awareness about the MPS Referendum and need for school funding. We will meet on the corner by 50th and Vincent and hold up "Vote Yes For Kids" signs at the cars passing by. Donuts and cocoa will be provided for all the kids who come early to hold up signs. Parents, please join us as well and take home a sign.

A HUGE shout out to Lunds & Byerlys at 50th & France for providing the donuts, and to Anj Petsch & family for picking them up. This week will be out last time and we look forward to a great turnout. Thank you to everyone who participated these past few weeks.

Free and Reduced Lunch Applications

Dear families-

If you believe you may be entitled to free or reduced lunch meals, please apply. The eligibility increases as the household size increases, so it may be worth seeing if your students are eligible. Even if you are a family that brings lunch from home, it still helps to fund schools with the addition of academic or service funds. Please fill out your application here: www.schoolmealapp.com. Applications filled out before December 15 are included for the school to receive the compensatory revenue.

Sincerely,
Upper and Lower Campus Administration

Come Join the Carnival Team! (expires Nov 1)

We are looking for someone to take over for our beloved food chair, Florence, who is moving this winter. Food experience is a plus, but not necessary.

Responsibilities include: coordinate purchase of food and drink items, help set up and oversee the sales at the carnival, assist with clean up, and then (if you're up for it) help us celebrate another successful carnival at Red Cow!

Please contact the carnival chairs Nikki Niermann (nniermann@gmail.com) or Trudy Vandy (trudydull@yahoo.com) with questions.

Lost and Found (expires Nov 1)

Parents, please check the lost and found for items that your student might have left at school. At the Lower campus the lost and found is located across from the art room near door #7. At the Upper campus there are two locations. Check the Atrium near the gym or on the second floor across from the science rooms.

At the end of each quarter we will bag up all lost and found items and donate them to charity. The next donation will be at the end of first quarter on November 2nd.

Open House for Calhoun-Harriet Trail Improvements project (expires Nov 1)

An Open House is scheduled for Nov. 9, 6-8 pm at Lyndale Farmstead Park, 3900 Bryant Ave. S, to review the preferred concept/plan for Calhoun-Harriet Trail improvements.

The Minneapolis Park and Recreation Board is hosting a second public meeting for planned trail and access improvements around Lake Harriet and Lake Calhoun.

Improvements focus primarily on pedestrian and bicycle circulation at Northeast Calhoun and

Southeast Harriet as well as general trail and access upgrades around both lakes. Interested park users are encouraged to attend to review and discuss the preferred concept, ask questions and share ideas.

Materials from the first meeting are available on the project page (https://www.minneapolisparcs.org/park_care_improvements/park_projects/current_projects/calhoun-harriet_trail_and_access_improvements/) and linked below. Also, an online survey is available until Oct. 28 to provide input on the project.
